**III. A brief statement by plaintiff as to the basis for subject matter jurisdiction, and a brief statement by each other party as to the presence or absence of subject matter jurisdiction.**

**A. Plaintiff's Statement**

This Court has subject matter jurisdiction pursuant to 28 U.S.C. §§ 1331 and 1343, as this action involves federal questions regarding the deprivation of Plaintiff's civil rights under the Americans with Disabilities Act, as amended, 42 U.S.C. §§ 12101, *et seq.* (the "ADA"). This Court has supplemental jurisdiction over Plaintiff's claims under the New York State Human Rights Law, N.Y. Exec. Law §§ 290, *et seq.* ("NYSHRL") and New York City Human Rights Law, N.Y.C. Admin. Code §§ 8-101, *et seq.* ("NYCHRL") pursuant to 28 U.S.C. § 1367, as Plaintiff's NYSHRL and NYCHRL claims are so related to her ADA claim that they form part of the same case or controversy.

**B. Defendants' Statement**

Defendants do not dispute the presence of subject matter jurisdiction with respect to Plaintiff's claims asserted under the ADA, and supplemental jurisdiction over claims asserted pursuant to NYSHRL and NYCHRL.

**IV. A brief summary by each party of the claims and defenses that party has asserted which remain to be tried, without recital of evidentiary matter but including citations to all statutes relied upon. Such summaries shall also identify all claims and defenses previously asserted which are not to be tried.**

**A. Plaintiff's Summary**

Plaintiff's claims under the ADA, 42 U.S.C. § 12112(b)(4), NYSHRL, N.Y. Exec. Law § 296(1)(a), and NYCHRL, N.Y.C. Admin Code §§ 8-107(1)(a), (20) for discrimination on the basis of her disabilities, including Leber's Hereditary Optic Neuropathy ("LHON"), which has caused the loss of her vision. Plaintiff disputes each of Defendants' stated defenses, none of which has merit.

**B. Defendants' Summary**

1. Plaintiff's claims of disability discrimination under Americans with Disabilities Act ("ADA"), 42 U.S.C. §§ 12101, *et seq.*, New York State Human Rights Law ("NYSHRL"), N.Y. Exec. Law §§ 290, *et seq.*, and New York City Human Rights Law ("NYCHRL"), N.Y.C. Admin. Code §§ 8-101, *et seq.* are without merit. Plaintiff has not and cannot demonstrate with sufficient evidence that she is disabled under the law. At no time during her employment did Plaintiff provide Defendants with sufficient notice of her disability. Plaintiff failed to provide Defendants with any medical documentation regarding her condition, as required by law and by the Firm's Employee Handbook. Plaintiff

specifically advised Defendants that she was not disabled. Assuming, *arguendo*, that Plaintiff is disabled under the law, she is not otherwise qualified since she was unable to perform the essential functions of her position as an Associate at the Firm, with or without reasonable accommodation. Additionally, no inference of discrimination arises from Defendants' termination of Plaintiff's employment.

2. Plaintiff's claims of disability discrimination also fail because all actions taken by Defendants regarding Plaintiff's employment were for legitimate, non-discriminatory reasons unrelated to Plaintiff's disability and/or other protected classifications. Such reasons include, but are not limited to, unsatisfactory job performance and complaints about Plaintiff from dissatisfied clients.
3. Plaintiff's claims of disability discrimination further fail because Plaintiff cannot establish that Defendants' legitimate, non-discriminatory reasons for terminating Plaintiff's employment were pretextual as the evidence demonstrates that Plaintiff failed to perform the essential functions of her position, with or without accommodation.
4. Plaintiff's claims of failure to accommodate under the ADA, NYSHRL, and NYCHRL are similarly without merit since Defendants provided Plaintiff with reasonable accommodations during her employment. Further, Plaintiff did not submit any requests for any accommodation in writing as required by the Employee Handbook. Assuming, *arguendo*, that Plaintiff requested accommodations verbally as she alleges, her requested accommodations were unreasonable, not effective, and/or would have imposed an undue hardship on Defendants. Plaintiff's claims also fail because Plaintiff refused reasonable accommodation(s) offered by Defendants, such as a temporary leave of absence.
5. Plaintiff is estopped and barred by her own conduct from requesting the relief set forth in the Complaint because Plaintiff failed to provide Defendants with adequate information about her disability, denied that she was disabled, failed to provide Defendants with adequate information about effective accommodations, and failed to request reimbursement and provide receipts for accommodations she purchased. Plaintiff also failed to take advantage of reasonable accommodation(s) offered by Defendants, including a leave of absence.

6. Plaintiff's continued employment with Defendants would cause a significant risk of substantial harm to the health and/or safety of Plaintiff and others, which could not be eliminated or reduced by a reasonable accommodation.
7. Plaintiff is also not entitled to recover damages. Without conceding that Plaintiff has suffered any damages as a result of any alleged wrongdoing by Defendants, Plaintiff has failed to mitigate or minimize her alleged damages. Moreover, Plaintiff cannot establish that she is entitled to punitive damages. Defendants acted reasonably and in good faith towards Plaintiff regarding all aspects of her employment and termination.

Defenses Previously Asserted by Defendants Which are Not to be Tried:

1. Plaintiff's claims, in whole or in part, are barred by the applicable statute or statutes of limitations.
2. Plaintiff's claims, in whole or in part, are barred by the statute of limitations, laches, res judicata, collateral estoppel, settlement and release, or accord and satisfaction.
3. Plaintiff's claims are barred by her failure to invoke or exhaust available complaint, investigation, dispute resolution, arbitration, appeal, protest, or administrative procedures, avenues, remedies and/or prerequisites to suit.
4. Plaintiff's claims are barred, in whole or in part, to the extent that they exceed the scope of or are inconsistent with the Charge of Discrimination Plaintiff filed with the EEOC.

The Parties agree that this case is to be tried with a jury and anticipate that the length of the trial will be approximately ten to twelve days.

**VI. A statement as to whether all parties have consented to trial of the case by a Magistrate Judge (without identifying which parties have or have not so consented).**

Plaintiff also reserves the right to supplement and/or modify this statement consistent with the Federal Rules of Civil Procedure, Local Civil Rules for the Eastern District of New York, and/or the Individual Motion Practices of the Honorable Carol Bagley Amon, or as may otherwise be necessary or appropriate between now and the date of trial.

Plaintiff expressly objects to the introduction of testimony from Natalia Generalova, Vitaliy Lyutyk, , Marina Zhernakova, and the interpreter from Trusteforte Language Services by Defendants at trial.

## **B. Defendants’ Statement**

Defendants provide the following list of witnesses to be offered in their case-in-chief subject to the following reservation of rights: (i) Defendants reserve the right not to offer the testimony of any designated witness; and (ii) Defendants reserve the right to offer live or deposition testimony, where authorized by FRCP 32, of any other Party or any witness designated by any other party.

Defendants intend to offer the testimony of the following witnesses in their case-in-chief:

- (1) Yuriy Prakhin: Mr. Prakhin is a party witness and will testify in person regarding, *inter alia*, the Firm’s business, the Firm’s policies, the job duties of associates, paralegals, and the managing attorney, compensation, Plaintiff’s employment and

- (2) Gil Zohar: Mr. Zohar is a non-party witness and will testify in person regarding, *inter alia*, the Firm's business, job duties of associates, paralegals, and the managing attorney, compensation and work performance of the Firm's employees, and claims and defenses to the Complaint.

- (5) Patricia Belous: Ms. Belous is a non-party witness and will testify in person regarding, *inter alia*, Plaintiff's employment and job performance, and claims and defenses to the Complaint.

- (7) Vitaliy Lyutyk: Mr. Lyutuk is a non-party witness and will testify in person regarding, *inter alia*, his experience as a client of the Firm and Plaintiff's job performance.
- (8) Marina Zhernyakova: Ms. Zhernyakova is a non-party witness and will testify in person regarding, *inter alia*, her experience as a client of the Firm and Plaintiff's job performance.
- (9) Alexander Pusachev: Mr. Pusachev is a non-party witness and will testify in person regarding, *inter alia*, his IT consulting work for the Firm, and the extraction of Instant Messages from the Firm's computer system.
- (10) Interpreter from Trusteforte Language Services: This individual is a Russian interpreter and non-party witness and will testify in person to provide translations of recorded conversations in Russian.
- (11) Dr. Anna Shostak: Dr. Shostak is a non-party witness and will testify in person regarding Plaintiff's mental health history and mental health conditions prior to the termination of her employment from the Firm in December 2018.

- (12) Any witness(es) Plaintiff lists in this JPTO or any amendment thereto; and
- (13) Any witness(es) Plaintiff calls to testify at trial.

As this Joint Pre-Trial Order is final except for rebuttal evidence, Defendants object to Plaintiff's statement reserving the right to supplement and/or modify this Joint Pre-Trial Order, call unlisted witnesses or introduce disputed documents except to the extent permitted under the Federal Rule of Civil Procedure, Federal Rules of Evidence, the Local Rules of the Eastern District of New York and/or the Judge's individual rules. However, if Plaintiff is permitted to reserve and/or is granted such rights, Defendants reserve, do not waive, and request the same right to call unlisted witnesses for purposes of impeachment, in rebuttal, or for the authentication and introduction of disputed documents, as well as to supplement and/or modify this statement consistent with the Federal Rules of Civil Procedure, Local Civil Rules for the Eastern District of New York, and/or the Individual Motion Practices of the Honorable Carol Bagley Amon, or as may otherwise be necessary or appropriate between now and the date of trial.

Defendants object to Plaintiff's listed witnesses to the extent that they lack personal knowledge regarding the subjects Plaintiff has listed for their expected testimony. Defendants also reserve their rights to further object to Plaintiff's listed witnesses, Plaintiff's questioning of such witnesses, and any testimony by such witnesses.

**IX. A designation by each party of deposition testimony to be offered in its case-in-chief, with any cross-designations and objections by any other party.**

**A. Plaintiff's Position**

Plaintiff does not anticipate that any witnesses will be unavailable to testify within the meaning of Federal Rules of Civil Procedure 32 and/or 45, and as such, does not anticipate designating deposition testimony to be offered in her case-in-chief. Plaintiff reserves the right to designate and introduce the deposition testimony of any witness within a reasonable period of time after it is determined that such witness is unavailable.

In addition to the depositions of the Plaintiff and Prakhin, five non-parties were deposed in this action: Gabo, Larssen, Raskin, Belous, and Pusachev. Larssen, Raskin, and Belous are employees of Defendants. Pusachev is a contractor who works for Defendants regularly, and Gabo is the Firm's former Managing Attorney who still maintains a relationship with the Firm. Defendants produced Larssen, Raskin, Belous, and Pusachev for their depositions. As such, Plaintiff expects that Defendants will produce Larssen, Raskin, Belous, and Pusachev for testimony at trial, and expects that Gabo will appear willingly in response to a trial subpoena. In the event Defendants refuse to produce Larssen, Raskin, Belous, and/or Pusachev, and Gabo is unwilling to appear voluntarily, for trial and the witnesses are otherwise unavailable to testify within the meaning of Federal Rules of Civil Procedure 32 and/or 45, Plaintiff reserves the right to designate and introduce Gabo's, Larssen's, Raskin's, Belous's, and/or Pusachev's deposition testimony at trial.

Because Plaintiff will be produced at trial and Defendants have not notified Plaintiff that Prakhin, Raskin, Belous, and/or Larssen will not be produced or are otherwise unavailable to testify within the meaning of Federal Rules of Civil Procedure 32 and/or 45, Plaintiff objects to Defendants' designation of deposition testimony for Plaintiff, Prakhin, Raskin, Belous, and Larssen.

**B. Defendants' Position**

At this time, Defendants intend to present testimony through live witnesses. Defendants may introduce the following deposition excerpts:
